

UCL-SM SERIES

GLASS REFRACTOR
CEILING MOUNT

Cat. #		Approvals
Job	Type	

APPLICATIONS

- Ceiling/canopy luminaire – wet location with wattage range from 175H to 400P. Vertical lamp uniformity for canopies, parking garages, industrial freezers, mall interiors, etc. Compact 400W size with glass refractor.

SPECIFICATIONS

- Rugged cast aluminum construction designed for rigid mounting and long life.
- Tool-free entry with spring-loaded touch latch allows easy maintenance, re-lamping from the ground with lamp stick.
- Borosilicate non-yellowing glass refractor provides high performance, uniform light distribution.
- Vertical lamp is included and provides maximum output and life.
- High angle illumination allows better vision on vertical tasks in parking garages, storage, car wash bays, etc.
- Internal quick-connect simplifies wiring of optical assembly, easing installation.
- Protective white or bronze 800 Series powder paint provides lasting appearance.
- Silicone gasketing seals optical assembly.

LISTINGS

- CSA certified to UL 1598 for use in wet locations.
